Guru Purnima Day is an ancient Eastern tradition that celebrates the Guru, the self-realised Master who shows us the way to our own self-realisation. It is their kindness, compassion, generosity, sacrifice and a love beyond describing that we appreciate. Ultimately it is That and That is the ultimate Guru. The Guru calls you.

### **Saturday afternoon and Sunday: Summer is Abundance – Love is Abundance**

What is happening with life, the world and our personal abundance?

- Abundance is within you.
- Kriya Yoga takes you inside.
- What will you find inside yourself?
- This workshop will take you into the abundance and transformation from abundance.
- We lose sight of ourselves and the abundance we naturally have within.
- Amazing qualities that we take for granted.
- We must awaken to our eternal, natural fullness.
- In summer, nature shows us the abundance.
- Find yourself, be happy, remember.
- The Guru helps you find yourself.
